

HP: Canada's most environmentally responsible IT company.

HP Canada has received many awards and firsts in our progress up “mount sustainability”. The following are the proof points on how HP came to be Canada's most environmentally responsible IT Company.

- 1) HP was the only PC Company listed on the [Canada's Greenest Employers](#) list in 2016. This was the ninth year HP Canada has been named to this prestigious list.
- 2) HP is the only IT Company to win two [Clean 16 awards](#) for sustainability leadership.
- 3) HP is the only IT Company to win three Clean50 [Top Projects awards](#) for contributions to clean capitalism.
- 4) HP is listed globally as the second greenest IT Company by [Greenpeace on their Guide to Greener Electronics](#).
- 5) HP has won numerous awards at the [Environmental Print Awards](#) for our products (like our commercial printing products) as well as our holistic strategy to address environmental issues in Canada.
- 6) HP has won multiple awards for how we manage our corporate grounds at our Canadian head office through Credit Valley Conservation's [Greening Corporate Grounds](#) program. This program celebrates ecological landscaping and education.
- 7) HP is the only IT Company globally to [disclose our full carbon footprint](#) with [reduction goals](#) in all three areas of our business – supply chain (20% by 2020 against 2010 levels), operations (20% by 2020 against 2010 levels), and customer use (40% by 2020 against 2010 levels).
- 8) HP has the most [comprehensive environmental education program](#) in Canada's IT industry- spanning from Kindergarten to companies that are not even our customers.
- 9) HP was named to [Dow Jones Sustainability](#) World Index and North America Index, which measures the sustainability efforts of companies based on a number of metrics, HP earned the highest possible score of 100 on the [Carbon Disclosure Leadership Index](#), reflecting our transparency and data quality in reporting on climate-related information. We placed in the highest performance band of “A” on the Climate Performance Leadership Index, which highlights companies that have demonstrated a commitment to managing climate.
