

# **Purchase a HP Care Pack to protect your new Printer!**

## **Why upgrade or extend your warranty coverage?**

Extending your warranty is an easy and affordable way to plan support for the life of your protect for peace of mind. Protecting your investment can avoid costly and unexpected repairs. HP Services for printers are more important than ever before because:

- The cost and complexity of networked, color, and multifunction printers are rising. Printer service is no longer fixing paper jams
- New MFPs and Color LaserJets are more mission critical and even more complex to repair and service on your own
- MFPs and Color LaserJets are a significant investment and provide a specific business function that needs to be protected by experts in services like HP
- Printing represents a significant cost to most companies. Experienced, responsive service delivery can help control these costs

HP Care Packs can help by providing:

- Less downtime which means higher business productivity, stability of the printing and imaging environment and performance
- Reduces the amount of time dealing with printing service and support issues and focus solely on the business
- Reduces unbudgeted repair costs
- Provide service levels that make it easy for customers to select the right services for their needs and realities
- HP branded and recognized support
- Access to the Enhanced Technical phone support team

Let HP keep you up and running at what we do best. HP printing and imaging services help ensure that you can print, copy, scan and fax your documents with no more disruption! HP Care Pack Services can be purchased with your product or at any time during the products warranty period. HP Care Packs are effective from the original date of the hardware product purchase. To identify the HP Care Pack for your product go to Care Pack Central: [www.hp.com/go/cpc](http://www.hp.com/go/cpc)

Save money by earning rebate(s) with the purchase of eligible HP Care Pack(s) as part of the Trade in Trade up Program to go along with your new printer.
