Where can I find the serial number for my purchased printer?

What if my old printer is damaged? Do I still get a cash back cheque?

Yes, trade in any old desktop laser / ink printer or scanner, any brand, any condition.

Do I have to handle the trade-in process myself or can my reseller assist me?

Eligible HP Resellers can submit claims on behalf of their Customers. Eligible resellers agree to pass on cash back amounts to Customers at point of purchase. Reseller should collect and ship the trade-in product on behalf of the customer to ensure proper processing.

Can I combine this offer with another offer?

This offer **MAY NOT** be combined with (or "stacked" with) other promotional offers or trade-in programs, except National HP Instant Rebates as defined below or with channel specific programs that have been approved for combinability by HP.

"Instant rebates" are defined as, but not limited to, instant savings, product specific coupons, product specific promotional pricing, and mail-in rebates.

If a product has been purchased and is on back-order or is not available to ship at the time of acquisition the customer will not be able to obtain the serial numbers of the new products. What currency are the cash back cheques paid in?

Cash back allowances are paid in **Canadian dollars** to Canadian customers.

Can resellers participate in this promotion?

Eligible HP Authorized Resellers ("Eligible Resellers") can participate in this Program and submit claims as an agent, and, on behalf, of its Customers. However, Eligible Resellers agree to pass on Trade-in Rebate to Customers at point of purchase. Eligible Resellers must also submit a signed Acknowledgement & Release Letter between reseller and customer (provided by HP). The invoice showing the cash back amount **AND** Release letter must accompany the claim submission.

Once I have purchased my HP Care Pack, am I automatically registered to receive support for my printer from HP?

No. You must activate your purchase by registering as soon as possible. Please contact your reseller for the registration URL. You will enter the activation number that was e-mailed to you by HP. Upon order placement, be SURE to include the desired e-mail address of the person you'd like your information sent to.
