

Enroll today and get 150 welcome points.

Ask your reseller to send you an invitation to the program, or go to www.purchasedge.com and sign up today. Once enrolled, your participating reseller will submit the invoices for your qualifying supplies purchases to us on your behalf. Everything is taken care of for you. You'll receive 150 points just for joining the program. The only thing left for you to do is continue to purchase Original HP supplies and enjoy the rewards.

Here's how the program works.

You'll earn one point for every \$4* your company spends on qualifying HP supplies. Save up and redeem your points as often as you wish when you earn enough to get the free HP products to best suit your office. The selection of free items includes some of HP's most popular products including printers, scanners, digital cameras, PDAs and more.
