

### HP Storage Training

HP offers a broad array of storage solutions to meet customer needs.

- ✓ *HP StoreOnce D2D* provides flexible disk-based backup with StoreOnce deduplication, enabling network-efficient data replication for scalable, cost-effective data protection of distributed environments.
- ✓ *HP 3PAR Storage Systems* deliver enterprise IT as a utility service in order to drive agility and efficiency in enterprise-class, virtual and cloud data centers.
- ✓ *HP LeftHand P4000 Storage Systems* reduce SAN costs with an all-inclusive, enterprise feature set for physical and virtual environments. With P4000, you eliminate risk through high data availability, increase business agility and improve scalability without disruption.
- ✓ *IBRIX X9000 Storage Systems* deliver to enterprise environments the scale-out NAS capability to efficiently manage explosive data growth and to significantly improve performance of file serving applications.

#### Training now available from HP Education Services

HP Education Services delivers the IT skills based training that you need for your HP storage solution.

## FREE Networking Training Offer—*Introduction to HP Enterprise Networking Essentials (HL006S)*

Take advantage of this special, limited time promotion for a **FREE** enrollment in our one-day course, *Introduction to HP Enterprise Networking Essentials (HL006S)*. Hurry, this offer expires on July 31, 2012 and space is limited. To qualify for this promotion, simply visit the [HL006S webpage](#), select your session and enroll using Promotion Code **NETEXPERT2012**. Visit us online ([NETEXPERT2012](#)) for promo details. You can register online or through the HP Customer Registration Center (800-472-5277).

**Promotion Terms and Conditions:** The course that is eligible for this promotion is HL006S. To take advantage of this promotion, the customer registers for HL006S using the Promotion Code NETEXPERT2012 and receives a 100% discount off of the list price of the course (not to exceed \$650 USD/\$715 CDN). The promotion is valid within the US and Canada only. Registration and attendance must be completed by July 31, 2012. Promotion is limited to one redemption per customer. HP employees are not eligible. Customers registering for HP Expert Series Seminars and utilizing this promotion agree to opt-in to receive periodic newsletters and announcements via email from HP Education Services. HP reserves the right to alter, terminate, or extend this promotion at any time. All other HP terms and conditions apply.

## Join Us for pre-DISCOVER HP ExpertONE Certification Training

Attending HP DISCOVER 2012? Take advantage of this opportunity to get the HP ExpertONE Certification Training you need—directly from HP. HP Education Services is offering pre-event ExpertONE Certification training courses. Along with self study, the courses will prepare you for the corresponding *free* exams during the main event. HP DISCOVER 2012 registrants can take up to 5 exams for free.

**Register now**—seating is limited and is on a first come, first serve basis.

- June 2–June 4: *HP E-Series Network Technologies*, Rev. 10.41 (#00239853/[HK651S](#))—\$1995 USD/\$2195 CDN per student (SAVE \$600). [Enroll now for HP E-Series Network Technologies](#).
- June 2–June 3: *HP A-Series Network Technologies*, Rev. 10.41 (#00241407/[HK652S](#))—\$1300 USD/\$1430 CDN per student. [Enroll now for HP A-Series Network Technologies](#).
- June 2–June 3: *HP Storage P4000 SAN Configuration and Administration*, v11.1 (#00280117/[HK364S](#))—\$1800 USD/\$1980 CDN per student. [Enroll now for HP Storage P4000 SAN Configuration and Administration](#).

## HP Storage—Hot Courses

### Managing HP 3PAR Disk Arrays [HK902S](#)

**UPDATED!** During this 3 day course, students learn the 3PAR hardware and architecture, along with administrative insight into the constructs within the 3PAR family. Students explore Virtual Volumes and Thin Provisioning and perform other administrative tasks via both GUI and CLI methods. This course has been updated to Inform 3.1.1.

Cost: \$2700 USD  
\$2970 CDN

### Managing HP 3PAR Disk Arrays: Replication and Performance [HK904S](#)

**NEW!** This 3 day course covers 3PAR enhanced functionality—including data migration between 3PAR storage arrays, disaster solutions and supported configurations. Students also learn performance analysis using System Reporter and the benefits of Adaptive Optimization. This course has been updated to Inform 3.1.1.

Cost: \$1800 USD  
\$1980 CDN

### LeftHand P4000 SAN Configuration and Administration [HK364S](#)

This 2-day course is a comprehensive technical-based training course that teaches the skills needed for planning, installing, configuring, and managing HP P4000 storage area networks. Learning concepts are reinforced through a series of comprehensive lab assignments. This course has been updated to SANiQ 9.5.

Cost: \$1800 USD  
\$1980 CDN
