

ST. PATRICK'S DAY BOUTONNIÈRE

MATERIALS:

- Scissors
- Hole Punch
- One brad
- Glue or tape

INSTRUCTIONS:

1. Cut out strips along the solid black lines. 
Punch holes where indicated by the ⊗ on each strip.
2. Take one strip and insert a brad through the middle hole on the printed side.
Repeat with the remaining seven strips.
3. Fan out the strips so they are approximately the same distance from one another, and the ends are not overlapping.
4. One at a time, curl each strip inward and insert brad through the hole. Secure brad when finished.
5. Cut out your desired embellishment and glue or tape to the center of your boutonniere.
