

YOU

PRESERVE
OUR
NATIONAL PARKS.

With HP digital cameras and printers, you are the photographer and the photo lab. And you can make sure your digital photos last for years to come. Because photos printed with genuine HP inks and papers resist fading for generations.* So even as your memories of Yosemite and Yellowstone grow hazy, your photos won't.

www.hp.com/you

*Based on Wilhelm Imaging Research, Inc., using the HP 58 photo inkjet print cartridge on HP Premium Plus photo papers.
