

Executive biography

Paul H. Miller

Vice President, Marketing, Industry Standard Servers and HP BladeSystem

Hewlett-Packard Company

Paul Miller leads marketing and strategy for Industry Standard Servers at HP as well as the HP BladeSystem architecture.

He has led marketing efforts to launch many industry firsts at HP, including blade technology and ultra-dense servers. Miller joined Compaq in 1997 as a product marketing manager with 12 years of experience in the technology industry.

Miller previously worked at IBM in positions that spanned engineering, software development, sales, management and strategy.

Miller earned a bachelor of science degree in mechanical engineering from the University of Wisconsin and a master of business administration degree from the University of California at Berkeley Hass School of Business with a dual emphasis on marketing and finance.
