

Fact sheet

HP 1250 Fax

The HP 1250 Fax is an ultra-compact color fax and copier with fold-up trays and a convenient handset that offers users an affordable and easy-to-use solution for quality desktop copying and reliable plain-paper faxing in as fast as three seconds per page.⁽¹⁾ Ideal for the small office professional, this HP solution allows users to conveniently copy and send multi-page faxes with a 20-sheet automatic document feeder to increase efficiency in the workplace. The HP 1250 Fax increases productivity with one-touch buttons and up to 100 speed dials, and broadcasting capabilities to help save time and effort.

Key features and benefits

- Enjoy greater productivity with powerful fax transmission speeds as fast as three seconds per page⁽¹⁾ in black and color with 33.6 Kbps modem;
- Quickly copy multi-page documents with hardcopy output speeds at up to 20 copies per minute (cpm) black and up to 14 cpm color;
- Maximize efficiency with a 200-page fax memory, one-touch buttons and up to 100 speed dials;
- With the touch of a button, save time when faxing to a group of people with the broadcast fax feature;
- Customize copies by enlarging images up to 400 percent or reducing images down to 25 percent;
- Manage fax input by automatically screening and blocking unwanted faxes using a junk fax barrier⁽²⁾;
- Flexible paper options including standard letter, A4 and legal paper sizes;
- Archived documents maintain text and color quality for decades without fading⁽³⁾;
- Creates high-quality documents on a variety of paper types, including HP Advanced Paper with ColorLok technology.

Pricing and availability

Estimated U.S. street price of \$149.⁽⁴⁾ Expected to be available for purchase May 1, 2006.
