

Fact sheet

HP Officejet 4310 All-in-One Series

Enhance your productivity with the HP Officejet 4310 All-in-One Series, a reliable solution from HP for home and small office users looking for a versatile, ultra-compact device for their document needs. Featuring high-quality print, scan and copy functions with enhanced fax capabilities, the HP Officejet 4310 All-in-One Series is an easy-to-use device that delivers incredible value with professional-quality results.

Key Features and Benefits

- Enhanced fax capabilities with a 200-page fax memory¹, one-touch buttons and up to 100 speed dials.
- Perform higher-quality scanning with 1200x1200 dpi optical resolution and 48-bit color.
- Ultra-compact design with a fold-up paper tray and a 20-sheet automatic document feeder that allow users to print and store in convenient spaces.
- Work with speed and efficiency with print and copy speeds at up to 20 pages per minute (ppm) black and up to 14 ppm color.
- Save time and increase productivity with fax broadcasting for up to 48 locations.
- Tailor faxes to fit every office need with a color fax and junk fax barrier².
- Print and copy laser-quality black documents and vibrant color photos.
- Archived documents maintain text and color quality for decades without fading³.
- Quickly and easily enhance photos and projects with HP Photosmart Essential Software.
- Creates high-quality documents on a variety of paper types, including HP Advanced Paper with ColorLok technology.

Pricing and Availability

Estimated U.S. street price of \$99⁴.

Now available for purchase.

¹ Based on ITU-T Test Image #1 at standard resolution. More complicated pages or higher resolution may reduce number of pages stored in memory.

² Requires caller ID service, not included; price and service contract must be negotiated separately.

³ Based on paper industry predictions for acid-free papers; colorant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18909

⁴ Actual price may vary.
