

Fact sheet

HP Photosmart A430 Portable⁽¹⁾ Photo Studio Series

Overview

The HP Photosmart A430 Portable⁽¹⁾ Photo Studio Series is a complete photo system -- just snap, touch and share. Capture memories with select easy-to-use HP Photosmart R-series or M-series digital cameras, and print exceptional 4 x 6-inch borderless prints with the photo studio printer. The compact, lightweight design and integrated handle make this portable photo studio easy to take almost anywhere.

Key Features and Benefits

- One-touch HP Photo Fix button automatically removes red-eye, sharpens blurred images and improves the overall brightness, color, and contrast of photos
- Print wallet size photos, 4x6-inch photos or third-party stickers
- Crop or rotate photos, plus crop photos to panorama size
- Ultimate capture to print simplicity – snap a photo, dock the camera into the printer and create beautiful 4 x 6-inch prints in as fast as 60 seconds
- Borderless 4 x 6-inch photos for about 29 cents a print⁽²⁾
- Use the video feature and included remote control to display a slide show or browse through photos and video clips on almost any TV, even easily print photos without interrupting the slide show
- New inks featured in the HP 110 Tri-color Inkjet Print Cartridge produce lab-quality photos with enhanced durability that resist fading for generations⁽³⁾

Additional Features

- HP Photosmart Express Software to edit and enhance photos
- Front USB port allows for compatibility with PictBridge enabled cameras so users have the option of printing from almost any digital camera
- Built-in handle and optional battery⁽¹⁾ make printer truly portable and easy to carry
- Optional HP Bluetooth® Wireless Printer Adapter allows users to print from camera phones or other Bluetooth® enabled devices⁽⁴⁾
- Optimized for use with HP Advanced Photo Paper for fast, instant-dry and water-resistant photos⁽⁵⁾
