

Fact sheet

HP Photosmart C3180 All-in-One Printer, Scanner, Copier

Overview

Easily print, scan and copy in true-to-life photo-quality color and laser-quality black text with the affordable, easy-to-use HP Photosmart C3180 All-in-One. Produce amazingly accurate reprints generations⁽¹⁾ using the new HP Photosmart Express software and memory card slots, plus high-quality scans. With a fold-up front paper tray, eight convenient one-touch buttons and direct photo printing, the light, ultra-compact, stylish design is perfect for small workspaces in the home.

Key Features and Benefits

- Four-ink (six-ink optional) printing with HP Vivera Inks produces rich and realistic photos that resist fading for generations⁽²⁾
- HP Photosmart Express button makes completing your digital photography experience fast and easy – view, print, share and save
- HP Photosmart Essentials software allows users to edit, organize, print, share, archive and create photo projects
- HP Real Life technologies automatically removes red-eye and enhances photos with adaptive lighting for professional quality photos at home.
- Color and black & white copies and photo reprints without a computer
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch⁽³⁾ with or without borders
- Print lab-quality photos without a computer in as fast as 25 seconds using the photo proofsheets
- Send photos to and from your all-in-one fast with Hi-speed USB 2.0 connection
- HP auto paper type sensor optimizes print and copy quality for various papers
- Intuitive control panel and convenient one-touch buttons that are easy to use

Additional Features

- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital, Media Stick, Memory Stick Duo and XD-Picture Card
