## HP Photosmart C4180 All-in-One Printer, Scanner, Copier

### Overview

The HP Photosmart C4180 All-in-One Printer, Scanner, Copier offers a simple, versatile solution for all home printing, copying and scanning needs – with or without a computer. Combining the performance expected from an HP all-in-one with the new HP Photosmart Express software enables effortless, one-touch access to share, save and print photos at home. The HP Photosmart C4180 All-in-One also includes memory card support and a text image display for creating and sharing personal projects and memories.

### Key Features and Benefits

- Four-ink (six-ink optional) printing with HP Vivera Inks produces rich and realistic photos that resist fading for generations<sup>(1)</sup>
- HP Photosmart Express button makes completing your digital photography experience fast and easy – view, print, share and save
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create photo projects
- HP Real Life technologies allow users to edit photos directly on the all-in-one to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home
- Color and black & white copies and photo reprints without a computer
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch<sup>(2)</sup> with or without borders
- Walk-up and print using the 2.4-inch color image display -- adjusts for optimal viewing from any angle and allows user to select, rotate, crop, zoom and remove red-eye directly from the display without using a computer
- Storable 4x6-inch tray for dedicated photo printing
- Use the HP Document Viewer to easily view, manage and annotate photos and documents
- HP auto paper type sensor optimizes print and copy quality for various papers
- Intuitive control panel and convenient one-touch buttons that are easy to use

### Additional Features

- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital, Media Stick, Memory Stick Duo and XD-Picture Card

### Technical Specifications

- Print Specifications
  - Four-ink/six-ink optional, IPH printing
  - Print speeds of up to 30 pages-per-minute (ppm) in black and up to 24
