## HP Photosmart C5180 All-in-One Printer, Scanner, Copier

### Overview

Print, scan and copy with true-to-life color using the high-performance HP Photosmart C5180 All-in-One Printer, Scanner, Copier. Based on HP's scalable printing technology, this stylish all-in-one is the world's fastest photo printer<sup>(1)</sup> with 4x6-inch photo speed as fast as 12 seconds. The HP Photosmart C5180 All-in-One allows users to print laser-quality documents and lab-quality photos without a computer using memory cards,<sup>(2)</sup> USB flash memory drive<sup>(3)</sup> and the large 2.4-inch color image display.

### Key features and benefits

- Six-ink printing with HP Vivera Inks produces rich and realistic photos that resist fading for generations;<sup>(4)</sup>
- Efficiently designed individual ink cartridges allow users to replace only the ink colors used – ideal for high-volume printing;
- HP Photosmart Express button makes completing the digital photography experience fast and easy – view, print, share and save;
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create photo projects;
- HP Real Life technologies let users automatically enhance and edit photos, helping consumers print professional quality photos at home;
- Color and black and white copies, and photo reprints without a computer;
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch<sup>(5)</sup> with or without borders;
- Walk-up and print using the 2.4-inch QVGA color image display – adjusts for optimal viewing from any angle and allows users to select, rotate, crop, zoom and remove red-eye directly from the display without using a computer;
- Automated 4x6-inch tray for dedicated photo printing;
- Use the HP Document Viewer to easily view, manage and annotate photos and documents;
- Print lab-quality photos in as fast as 12 seconds without a computer using convenient front USB port;
