

Fact sheet

HP Photosmart D5160 Photo Printer

Overview

The HP Photosmart D5160 Photo Printer delivers amazingly easy and convenient photo printing with camera memory card slots, automated photo tray that supports both 4 x 6-inch and 5 x 7-inch paper and direct CD/DVD printing. Four-ink printing with HP Vivera Inks enables high-volume printing with efficient printing speeds – with photo speeds as fast as 26 seconds and color graphic documents up to 31 pages per minute (ppm) black and up to 24 ppm color – ideal for quick and easy home photo printing and laser quality documents.

Key features and benefits

- Four-ink (six-ink optional) printing with HP Vivera Inks produces rich and realistic photos that resist fading for generations⁽¹⁾;
- Print true-to-life photos without a computer directly from PictBridge-enabled cameras using convenient USB port;
- Direct printing of photos with colorful art and text onto CD and DVD media⁽²⁾;
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects;
- HP Real Life technologies allow users to edit photos directly on the printer to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home;
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch⁽³⁾ with or without borders;
- Automated 4 x 6-inch and 5 x 7-inch tray for dedicated photo printing;
- Produce water- and smudge-resistant photos when printing with HP Advanced Photo Paper⁽⁴⁾;
- Easy photo printing with HP Auto Sense – ensures correct paper loading and optimal quality settings;
- Create artistic and vintage photos in black-and-white with optional HP 100 Gray Photo Inkjet Cartridge⁽⁵⁾;

Additional features

- Optional HP Bluetooth™ Wireless Printer Adapter enables wireless printing from camera phones, handheld PCs or other Bluetooth-enabled devices⁽⁶⁾;
- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure
