

Fact sheet

HP Photosmart D6160 Photo Printer

Overview

The HP Photosmart D6160 Photo Printer, based on HP's scalable printing technology, is the world's fastest photo printer⁽¹⁾ with six individual inks and reliable document performance for high-volume printing. Print photos without a PC using a Pictbridge-enabled camera or camera phone with optional Bluetooth® adapter⁽⁷⁾. Offering efficient printing speeds with – 4 x 6-inch photos in as fast as 12 seconds, documents up to 32 pages per minute (ppm) in black and white and up to 31 ppm in color -- the HP Photosmart D6160 Photo Printer is ideal for quick and easy home photo printing and creative tasks.

Key Features and Benefits

- Six-ink color with HP Vivera Inks produces rich and realistic photos that resist fading for generations⁽²⁾
- Efficiently designed individual ink cartridges allow users to replace only the ink colors used – ideal for high-volume printing
- HP Photosmart Express button makes completing your digital photography experience fast and easy -- view, print, share and save
- HP Real Life technologies allow users to edit photos directly on the printer to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home
- Automated 4x6-inch and 5x7-inch tray for dedicated photo printing
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch⁽³⁾ with or without borders
- Produce water and smudge resistant photos when printing with HP Advanced Photo Paper⁽⁴⁾
- Easy photo printing with HP Auto Sense – ensures correct paper loading and optimal quality settings⁽⁵⁾

Additional Features

- Optional HP Bluetooth® Wireless Printer Adapter enables wireless printing from camera phones, handheld PCs or other Bluetooth® enabled devices⁽⁶⁾
- Print on both sides of the page with optional two sided printing accessory⁽⁷⁾
- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital, Memory Stick, Memory Stick Duo and XD-Picture Card
