

Fact sheet

HP Deskjet F380 All-in-One Printer

The HP Deskjet F380 All-in-One Printer is an easy solution for the home or microbusiness with printing, scanning, photo reprinting and copying capabilities. Enjoy vibrant, fade-resistant photos with optional six-ink color.⁽¹⁾ The affordable and ultra-compact HP Deskjet F380 All-in-One allows users to make professional-quality photo reprints and enlarge or resize photos with the touch of a button. Users can preserve photos and documents for reprinting and storage with flatbed, high-quality scanning. With HP Photosmart Real Life Technologies, users can also easily remove dust and scratches in scanned images and repair older damaged photos.

Key features and benefits

- Fast and efficient document printing with up to 20 pages per minute (ppm) in black and up to 14 ppm in color;
- Make quality scans of photos and documents with 1200 x 2400 dpi optical resolution, 48-bit color;
- Effortlessly share, save and print photos with HP Photosmart Express;
- Easily organize, edit and enhance photos with HP Photosmart Essential software;
- Print true-to-life photo quality in optional six-ink color⁽¹⁾ or up to 4800-optimized dpi⁽²⁾ with HP Premium Plus Photo papers;
- Save time, paper and ink with the convenient, one-touch print cancel button;
- Print and copy photos as 4 x 6-inch three-fourths borderless prints or any size up to 8.5 x 11-inches with borders.⁽³⁾
- With a fold-up paper tray, the ultra-compact design maximizes space and fits most anywhere – on a desk, shelf or table;
- Automatically remove red-eye and enhance detail using HP Photosmart Real Life Technologies;
- Print photos that resist fading for generations⁽⁴⁾ using a combination of HP Premium Plus Photo Paper and HP Inks.

Pricing and availability

Estimated U.S. street price of \$79.⁽⁵⁾ Expected to be available for purchase June 1, 2006.
