

HP Color LaserJet CM1015/CM1017 Multifunction printer series

Overview

The HP Color LaserJet CM1015/CM1017 multifunction printer (MFP) delivers the power and functionality small work teams need, without straining budget. With integrated copying and scanning, combined with printing speeds of up to 8 pages per minute (ppm) for both color and black-and-white, this compact device can transform any desk into a small office. The HP Color LaserJet CM1015/CM1017 MFP enables sending and archiving of scanned documents for a fast, simple, and reliable way to capture paper-based content in digital format. Business material – such as documents, manuals, and reports – easily can be scanned directly to the desktop, an email address, or a network drive for archiving.
