

HP Color LaserJet CP4005 series

Overview

Whether printing general documents or marketing materials in house, the HP Color LaserJet CP4005 series delivers the necessary balance of superb professional print quality, fast speeds and ease-of-use that can help any business produce outstanding results quickly, affordably and effortlessly. The HP Color LaserJet CP4005 series, along with Original HP Color LaserJet print cartridges with ColorSphere toner, delivers consistent color output that can low operating costs.

Key Features and Benefits

- HP ColorSphere toner in concert with ImageREt 3600 image enhancement technology and improved color calibration that produces high-quality color.
- HP ColorSphere toner with high gloss that produces a dynamic range of bright, brilliant colors for photo-quality business printing
- Full print quality at full speeds: up to 30 pages per minute (ppm) monochrome and up to 25 ppm color
- Plug and play: Cartridges are preinstalled and the printer's software installs in just a few simple clicks. A media-type sensor automatically chooses the optimal print setting for the selected paper, and convenient front access allows easy replacement of cartridges
- The ability to produces first page in less than 10 seconds for monochrome and 12 seconds for color from Power Save mode
- Automatic two-sided printing unit for efficient duplexing at full engine speed (standard on CP4005dn-only)
- Support for a broad range of media: papers up to 58 lb bond/220 grams, envelopes, labels, card stock and transparencies
- Input capacity standard of 600 sheets (scalable to 1100 sheets with an accessory 500 sheet tray) that assures minimal interruptions and maintenance.
- HP Jetdirect Fast Ethernet Value Featured networking
- Simplified printer management and supplies re-ordering through HP Easy Printer Care software service
