

## HP LaserJet M3027 Multifunction printer series

### Overview

The reliable HP LaserJet M3027 MFP offers printing, copying, faxing, and send-to-e-mail functionality in one compact, cost-effective device. The easy-to-use touch-screen control panel provides effortless device interaction and the HP Universal Print Driver alleviates administration headaches with a single driver for all HP networked devices. The highly efficient and dependable networking capabilities and interactive HP Smart printing technology allow work teams to accomplish more.

### Key Features and Benefits

- Boosts work team productivity with embedded networking, fast two-sided printing and send-to-e-mail capabilities
- Monochrome printing speeds of up to 27 letter pages per minute (ppm)
- Instant-on Technology delivers the first page out in as little as 10 seconds from PowerSave mode
- With Automatic Printer wakeup, the device is ready for business first thing in the morning
- The 50-sheet automatic reversing document feeder supports two-sided copying and scanning of double-sided originals
- Best-in-class networking through the HP Jetdirect Fast Ethernet embedded print server for reliable sharing and simple network management tools
- 40 GB built-in hard drive provides a virtual mailbox to keep sensitive documents confidential and stores frequently printed jobs for easy retrieval
- Original HP printing supplies deliver consistent, professional print quality in documents produced quickly and easily
- Reliable performance of Original HP LaserJet print cartridges and toner means lower costs of printing
- Interactive HP Smart printing technology sends alerts when supplies are low and facilitates simple reordering
