

HP LaserJet M5025 Multifunction printer

Overview

The HP LaserJet M5025 MFP offers printing, copying, scanning, optional faxing, and send-to-email functionality in one reliable, cost-effective device. The printer series sets the pace for work group success with A3 print and copy speeds up to 25 monochrome pages per minute (ppm). The highly efficient networking capabilities, interactive HP Smart printing technology and flexible paper handling allow work groups to accomplish more in less time.

Key Features and Benefits

- Enhances work group productivity with embedded networking, optional two-sided printing and send-to-email capabilities
- Monochrome printing speeds of up to 25 pages per minute (ppm)
- Instant-on Technology delivers the first page out in as little as 10 seconds from PowerSave mode
- HP Resolution Enhancement technology (REt), HP ProRes 1200 (1200 x 1200 dpi) and HP FastRes 1200 delivers outstanding print quality
- Features a unique, easy-to-read touch-screen graphical control panel and a built-in help system that explains how to use each screen
- IPv6-ready networking for print via the HP Jetdirect Fast Ethernet embedded print server allowing reliable sharing and simple network management
- The HP Embedded Web Server performs remote diagnostics and facilitates supplies reordering through HP SureSupply
- Preserve paper resources with the 50-sheet reversing automatic document feeder that supports two-sided copying and scanning of double-sided originals
- Includes a powerful 460MHz processor, 256 MB of standard memory (expandable up to 512 MB), and V.34 fax modem port for optional analog fax accessory
- Smaller footprint enables placement closer to workgroups
- Original HP printing supplies deliver consistent, professional print quality in documents produced quickly and easily
- Reliable performance of Original HP LaserJet print cartridges and toner means lower costs of printing
- Interactive HP Smart printing technology sends alerts when supplies are low and
