

## HP LaserJet M5035 Multifunction printer series

### Overview

The HP LaserJet M5035 MFP offers printing, copying, scanning, faxing, and multiple digital sending functions in one reliable, cost-effective device. The printer series sets the pace for work group success with 11 x 17 print and copy speeds up to 35 pages per minute (ppm). The highly efficient networking capabilities, interactive HP Smart printing technology and optional paper handling allow workgroups to accomplish more.

### Key Features and Benefits

- Enhances workgroup productivity with built-in networking, two-sided printing and advanced send-to capabilities
- Monochrome printing speeds of up to 35 pages per minute (ppm)
- Instant-on Technology delivers the first page out in as little as 10 seconds from PowerSave mode
- HP Resolution Enhancement (REt) and FastRes 1200 technology delivers outstanding print quality (up to 1200 x 1200 dpi)
- Provides scalable finishing features: Optional 500-sheet stapler/stacker to staple up to 30 pages
- Reliable and simple networking: best-in-class networking through the HP Jetdirect, IPv6-ready, Fast Ethernet embedded print server
- Work without interruption: The HP Embedded Web Server performs remote diagnostics and facilitates supplies reordering through HP SureSupply
- Conserve paper resources with the 50-sheet reversing automatic document feeder that supports two-sided copying and scanning of double-sided originals
- Expanded connectivity with the hi-speed USB 2.0 port, V.34 fax modem port, and additional EIO slot
- HP's Universal Print Driver saves IT managers time and money by offering a single, full featured driver that supports HP's entire line of new network printers
- Original HP printing supplies deliver consistent, professional print quality in documents produced quickly and easily
- Reliable performance of Original HP LaserJet print cartridges and toner means lower costs of printing
- Interactive HP Smart printing technology sends alerts when supplies are low and
