

HP 12-cell Ultra-Capacity Battery

HP recommends Microsoft® Windows® XP Professional

While out of the office or on the road, increase your productivity by powering your notebook for longer periods with the HP Ultra-Capacity Battery. Get up to 16 hours of battery life with the HP Ultra-Capacity Battery.

HP 12-Cell Ultra-Capacity Battery

The HP Ultra-Capacity Battery is a 12-cell Lithium-Ion battery that increases the battery life of your HP Business Notebook by up to 10 hours and provides you with up to 16 total hours of battery power when used with a fully charged primary battery. It also features a unique integrated power connector and ships with a 65W Smart AC adapter enabling you to charge your battery when it is not connected to your notebook giving you extended battery life whenever and wherever you need it.

Benefits

- Increased productivity by allowing you to work a full business day without having to plug in to recharge your battery.
- Charge your battery when it is attached to the notebook or plugged directly into a power source (adapter included).

Competitive Advantage

- Piece of mind – The HP Ultra-Capacity Battery is designed specifically for HP Business notebook PCs and is certified for optimal compatibility.

- Full notebook functionality – attach a second “integrated” battery to your notebook PC without sacrificing your optical drive functionality.
- Ease-of-use – no need to swap out batteries as the HP Ultra-Capacity Battery works in conjunction with your primary battery.
- Convenience – no need to carry a separate battery that can be lost or stolen as the HP Ultra-Capacity Battery attaches to the bottom of your notebook.
- Enhanced ergonomics – unique design angles the notebook for a more comfortable keyboarding experience.
- Unprecedented compatibility – works with all HP Business Notebook PCs (except nc2400 series.)

Compatibility

The HP 12-Cell Ultra-Capacity Battery is compatible with HP Compaq 4200, 4400, 6100, 6200, 6300, 6400, 7400, 8200, 8400 and 9400 series Notebook PCs and 4200 and 4400 series Notebook/Tablet PCs.
