

HP Battery Charger and HP Battery and Charger Kit for Deskjet 450 and Deskjet 460 Mobile Printers

Overview

The HP Battery Charger and the HP Battery and Charger Kit for the HP Deskjet 450 and Deskjet 460 Mobile Printers allow on-the-go professionals to conveniently charge batteries while traveling for increased productivity.

Both the HP Battery Charger¹ and the HP Battery and Charger Kit include a charger and A/C adaptor with power cord. The Charger Kit adds an HP lithium-ion battery. The charger features a portable, lightweight design that folds up and fits easily into a bag or purse.

Key Features and Benefits

- Stay productive by having a charged back-up battery ready at all times for your mobile printing needs with the HP Battery and Charger Kit
- Weighing only about 3 ounces², the fold-up battery charger is lightweight and compact, easy to carry in a bag or purse
- Easily swap out low-power or dead batteries and replace them with fully-charged, long-lasting HP lithium-ion batteries
- Quickly charge your mobile printer battery away from the printer
- Covered by one-year warranty backed by HP customer service and support
