

## Paul H. Miller

Vice President, Marketing, Industry Standard Servers and HP BladeSystem

Hewlett-Packard Company

Paul Miller leads marketing and strategy for HP's Industry Standard Server unit as well as the HP BladeSystem architecture.

Miller has led marketing efforts to launch many industry firsts at HP, including blade technology and ultra-dense servers. He joined Compaq in 1997 as a product marketing manager with 12 years of experience in the technology industry.

Miller previously worked at IBM in positions that spanned engineering, software development, sales, management and strategy.

Miller earned a bachelor of science degree in mechanical engineering from the University of Wisconsin and a master's degree in business administration from the University of California at Berkeley Haas School of Business with a dual emphasis on marketing and finance.
