

Executive biography

Dov Ofer

Vice President and General Manager, Inkjet Industrial Division

Hewlett-Packard Company

Dov Ofer is vice president and general manager of the Inkjet Industrial Division at HP, a position he has held since the company acquired Scitex Vision in 2005. Same info is in the following sentence. Ofer served as president and chief executive officer of Scitex Vision Ltd. prior to its merger with Aprion in January 2003. He previously served as the company's executive vice president of sales, marketing and business development.

Ofer managed Matan Digital Printing – one of the pioneering companies in the super-wide format printing industry – prior to 1998, when its super-wide format technology and operations were bought by Scitex.

Ofer holds an MBA from the University of California at Berkeley and a bachelor's degree in economics from the Hebrew University in Jerusalem.
