

HP 12c Platinum Financial Calculator

25th Anniversary Edition

The new HP 12c Platinum is faster, more powerful and capable than ever.

The special *25th Anniversary Edition* is sure to be a collector's item with its elegant black and silver look, engravable metal plate on back, and upgraded embossed leather pouch.

The HP 12c Platinum is a powerful tool capable of handling the most complex and detailed financial calculations. Users of the HP 12c Platinum will enjoy the flexibility this calculator offers with both RPN and algebraic modes of entry, the increased memory capacity and the more-than 130 built-in functions. Easily calculate loan payments, interest rates and conversions, standard deviation, percent, TVM, NPV, IRR, cash flows, bonds and more. Ideal for real estate, finance, accounting, economics and business work. Permitted for use on the CFP® and CFA® Certification Exams, and GARP FRM™ Exam†.
