

## HP Easy Printer Care Software 2.2

### Overview

HP Easy Printer Care Software 2.2 provides office managers in small businesses with a powerful, one-stop solution to effortlessly manage and maintain up to 15 HP LaserJet printers and multi-function printers (MFPs).<sup>(1)</sup> Designed to save time and control costs, the software offers proactive alerts to resolve printing issues, generates printer usage reports and periodically tracks toner cartridge and paper levels for an improved reordering experience. Ideal for unmanaged, networked printers, HP Easy Printer Care Software 2.2 is compatible with most HP LaserJet printers and MFPs, and supports Microsoft Windows Vista™.

### Key features and benefits

- Quickly perform multiple tasks simultaneously to analyze all aspects of printer use, such as tracking supplies levels and generating reports to optimize the performance of up to 15 supported HP printers
- Identify potential printing issues before they become a problem and instantly diagnose printers with personalized troubleshooting guides through HP Proactive Support
- Monitor toner cartridge and paper levels for multiple printers with custom alerts
- With HP SureSupply, consolidate all reorders for Original HP supplies into a single form, which can be printed and taken to a local reseller, or order online<sup>(2)</sup>
- Control expenses and monitor color printer usage with reports that deliver specific details on printers by user, time of day, application and printer
- Easily discover all compatible printers in a local printer folder or on the network with a few clicks
- Enjoy advanced compatibility and connectivity with support for more than 60 HP monochrome and color HP LaserJet printers and MFPs<sup>(1)</sup>
