

HP 02 Ink Cartridges

Black, Yellow, Cyan, Light Cyan, Magenta, Light Magenta

Overview

Printing with HP Vivera inks ensures vivid, consistent color for true-to-life photos and crisp laser-quality documents. The six color-coded HP 02 Ink Cartridges are designed for quick and simple installation in the HP Photosmart D7360 Photo Printer, HP Photosmart 8250 Photo Printer and the HP Photosmart 3100, 3200 and 3300 All-in-One series printers. HP Vivera inks are designed to resist fading, smudging and bleeding so photos are vivid and true-to-life and will last for generations.⁽¹⁾

Key Features and Benefits

- Beautiful, quality photo output on HP specialty media and sharp, laser-quality black text on plain papers.
- Ink formulations provide radiant, uniform color and reduced image grain, without fading, bleeding or smudging.
- HP Vivera Inks are specially formulated and carefully engineered to work with the writing system to minimize particles and prevent the inks from accumulating air bubbles or clogging the nozzles, which can impact print quality.
- Proprietary HP technology eliminates air build-up in the nozzle region that creates bubbles and can affect output, without wasting ink in the process.
- HP Smart printing technology⁽²⁾ ensures that before a new photo or page is started, there will be enough ink in the printing system to complete that photo or page.
- Individual ink cartridges are sold separately and are easy to shop for with clear packaging and color-coded cartridges.
- Each ink cartridge features a unique color and symbol for easy matching and proper installation to the corresponding printer cartridge stall.
- Unique physical features inside each cartridge stall ensure only the right cartridge fits and latches securely in the corresponding position, making installation foolproof.
- Ingredients that are pure and virtually free of contaminants deliver optimal reliability and performance when printing.
- HP SureSupply⁽³⁾ alerts users when to order needed supplies and allows for convenient shopping via the Internet or by printing an order sheet to take to a retailer.

Technical Specifications

- Compatibility: HP Photosmart D7360 Photo Printer, HP Photosmart 8250 Photo Printer and HP Photosmart 3100, 3200 and 3300 All-in-One series printers
