

HP Photosmart M737 Digital Camera

Overview

The HP Photosmart M737 Digital Camera makes it easy to get beautiful photos with 8-megapixel resolution, easy-to-use buttons and menus and a 2.5-inch bright display for indoor or outdoor viewing. With HP steady photo anti-shake mode and industry-leading in-camera red-eye removal,⁽¹⁾ the HP Photosmart M737 Digital Camera allows users to produce great, true-to-life photos with ease.

Key Features and Benefits

- 8-megapixels for stunning 4 x 6-inch prints and enlargements up to poster size.
- Take great, long-distance shots with a Pentax 3x optical zoom lens.
- View photos indoors and out on a 2.5-inch Auto-bright Display.
- Industry-leading in-camera red-eye removal helps eliminate wasted shots or time spent editing on a PC.⁽¹⁾
- Slim subjects and apply colors and borders to photos – right in the camera, as well as adaptive lighting and panorama assist with HP Design Gallery.
- Get crisp, detailed photos and minimize blur at the touch of a button with the HP steady photo anti-shake mode.
- Get everything you need to start sharing photos right out of the box, including batteries and 16 MB internal memory.
- Grab the camera and start snapping – intuitive buttons and easy menus make photo-taking a breeze.
- Recording moving memories is simple, using one-touch video with audio.
- Tag your favorite photos right on the camera, making organization and sharing easier when you upload to HP Photosmart Essential software.
- Order brilliant prints online through Snapfish by connecting to a PC.⁽²⁾
- Microsoft Windows Vista™ ready.

Additional Features

- Snap a photo and decide right away where to e-mail it, using HP Photosmart Share.
- Meets HP's General Specification for the Environment, which includes compliance with the EU ROHS Directive (focus: lead, cadmium, mercury, PBB, PBDE).⁽³⁾
- Easily recharge and transfer photos to your PC or printer, using optional HP Photosmart 2200 Digital Camera Dock.⁽⁴⁾
- Spend more time snapping and sharing photos by easily charging the HP Photosmart M737 digital camera with the optional HP Photosmart Easy Recharge Kit for AA Cameras.⁽⁴⁾
