

HP Photosmart R847 Digital Camera

Overview

Shoot superior 8-megapixel photos with the slim, elegant HP Photosmart R847 Digital Camera. With a wide viewing angle and 3-inch auto bright display, users can view, edit and share images with ease. The HP Photosmart R847 Digital Camera also features industry-leading in-camera red-eye removal,⁽¹⁾ pet-eye fix, slimming, HP steady photo anti-shake and HP touch-up to ensure subjects look their best.

Key Features and Benefits

- Take superior photos that can be cropped or enlarged with 8-megapixel resolution and Fujinon 3x optical zoom.
- An extra-wide viewing angle – up to 170 degrees – and 3-inch Auto-bright Display lets users easily view and share photos.
- Enjoy great photos with industry-leading in-camera red-eye removal⁽¹⁾ and pet-eye fix – an industry first to fix the glowing eyes on animals right in the camera.
- Slim subjects and remove blemishes – in camera – with a unique slimming feature and HP touch-up.
- Enjoy quick photo organization for easy sharing using the in-camera, Microsoft Vista™-compatible tagging feature.
- Add on-camera personal touches to photos using borders, colors and effects.
- New automatic HP steady photo ant-shake feature helps to prevent blurred photos in lower light accounting for hand shake and moving subjects.
- Get more detailed photos with HP adaptive lighting technology.
- Stitch panoramic photos and save them for viewing and easy printing – no PC necessary.
- Easily snap the best shot with 13 shooting modes, including auto, burst, theatre and sunset.
- Capture spontaneous memories in high-quality video with audio.
- Snap a photo and decide right away where to e-mail it, using HP Photosmart Share.
- Includes everything needed to start taking photos right out of the box, including a long-lasting, rechargeable battery and 32 MB of internal memory.
- Effortlessly share, save and print photos, plus order prints online, using HP Photosmart Express.
- Order brilliant prints online through Snapfish by connecting to a PC.⁽²⁾
- Microsoft Windows Vista™ ready.

Additional Features

- Meets HP's General Specification for the Environment, which includes compliance
