HP TouchSmart PC

The HP TouchSmart PC provides users with the ability to quickly and easily have touch access to digital content wherever life happens in the home. Content can be accessed through HP SmartCenter, a new customizable user interface that includes HP SmartCalendar for family calendaring and HP Photosmart Touch to manage digital photos. The TouchSmart PC is the industry's first all-in-one PC based on Microsoft Windows Vista™, featuring a 19-inch diagonal HD widescreen with adjustable touch screen display, Vista remote control and personal video recorder with HD and SD TV programming.
