

Glen Hopkins

Vice President & General Manager, Printing & Technology Platforms

Hewlett-Packard Company

Glen Hopkins is vice president and general manager of Inkjet Print Cartridges and Supplies R&D for HP's Printing & Technology Platforms Group.

Hopkins joined HP in 1985 as a design engineer in the Corvallis, Oregon division. He progressed through various management jobs in Corvallis for the next ten years, including project manager and department manager. In 1996, Hopkins became the Fab Manager in Singapore until 2000. Upon return to the U.S., Hopkins became the R&D Lab Manager in San Diego, California until 2005.

Hopkins holds a bachelor's degree in chemistry from California State University, Chico, and master's and bachelor's degree in physical engineering and chemical engineering, respectively, from Oregon State University.
