

HP Photosmart Pro B8350 Photo Printer

Overview

The versatile HP Photosmart Pro B8350 Photo Printer is ideal for hobbyist photographers who want to achieve professional lab-quality prints – from 3.5 x 5-inch to 13 x 19-inch – at home. The printer produces rich and realistic, six-ink color photos that resist fading longer than lab-processed photos – up to 108 years – using HP Vivera inks.⁽¹⁾

Additionally, the HP Photosmart Pro B8350 Photo Printer offers users more printing options with a rear input tray, and easily handles thicker and stiffer papers.

Key Features and Benefits

- Get big bordered or borderless pictures up to 13 x 19-inch from a small printer that fits easily in your home or studio.
- Easily print and manage 3.5 x 5-inch up to 13 x 19-inch paper, using multiple input trays and extendable output tray.
- Intuitive features make printing simple and efficient – including print-cancel and print-resume buttons.
- Effortlessly edit, organize, and print photos using included HP Photosmart Essential software.
- Select theme images and text, and design custom page layouts to create unique scrapbook pages using HP Creative Scrapbook Assistant software.
- Fast print speeds – print a 4 x 6-inch photo in as little as 26 seconds and a 13 x 19-inch photo in as little as 210 seconds.

Additional Features

- Create crisp laser-quality text at up to 31 ppm (pages per minute) black and 24 ppm color, using optional black ink cartridge for everyday printing.⁽²⁾
- Choose artistic or vintage look with black-and-white photographs, using optional gray cartridge.⁽³⁾
- Easily connect to network or print wirelessly via an optional Ethernet port.⁽²⁾
- Save paper and time with automatic two-sided document printing, using optional duplexer.⁽³⁾

Technical Specifications

- 6-ink printing with HP Vivera inks
