

HP Photosmart C7180 All-in-One Printer, Fax, Scanner, Copier

Overview

The HP Photosmart C7180 All-in-One Printer, Fax, Scanner, Copier, based on HP's Scalable Printing Technology, features leading scanning and wireless innovations for unparalleled ease-of-use. With a built-in slide and negative adapter and six economical, individual ink cartridges, this all-in-one allows users to print and reprint photos with superior quality and speed. The Photosmart C7180 All-in-One also provides multiple ways to print from camera phones,⁽¹⁾ notebooks and other devices with Bluetooth wireless technology, or share with multiple PC/Macs on an Ethernet network.

Key features and benefits

- Easily print lab-quality photos in six-ink color and laser-quality black text with HP Vivera inks.
- Economical, individual six inks— replace only the cartridges that run out of ink.
- HP Photosmart Express button makes completing your digital photography experience fast and easy – view, print, share and save.
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects.
- HP Real Life technologies allow users to edit photos directly on the all-in-one to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home.
- Make memories last — instant-dry, water resistant photos produced with HP Advanced Photo Paper are long lasting when displayed in frames or albums.⁽²⁾
- Color and black & white copies and photo reprints without a computer.
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch⁽³⁾ with or without borders.
- Walk-up and print using the large 3.6-inch QVGA color image display – control panel adjusts for optimal viewing from any angle.
- Automated 4 x 6-inch tray for dedicated photo printing.
- Use the HP Document Viewer to easily view, manage and annotate photos and documents.
- Print lab-quality photos without a computer directly from PictBridge-enabled cameras using convenient front USB port in as fast as 12 seconds.
- Built-in Bluetooth wireless technology and Ethernet wired/wireless networking enable easy sharing of printing, faxing, scanning, and copying capabilities on a small computer network.
- Oversized, 8.5 x 12-inch scanning glass, built-in slide and negative adapter, and dust

and scratch removal capabilities.

- Get effortless photos, plus save time, ink and paper using HP photo papers with HP Auto Sense, which prevents common photo printing mistakes.⁽⁴⁾
- Intuitive control panel and convenient one-touch buttons that are easy to use.

Additional features

- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital, Media Stick, Memory Stick Duo and XD-Picture Card.
