

HP Color LaserJet CM4730 Multifunction Printer Series

Overview

Maximize workgroup productivity and increase efficiency at a breakthrough price-performance combination with the HP Color LaserJet CM4730 multifunction printer (MFP) series. Featuring an integrated design that includes the award-winning HP EasySelect control panel, the HP Color LaserJet CM4730 MFP series provides a complete office solution with print, copy, scan-to-location, analog fax and document finishing capabilities in one easy-to-use device. With HP ColorSphere toner, produce professional results – and brilliant color – with every print. Built on the same award-winning platform as the HP Color LaserJet 4730 MFP, the HP Color LaserJet CM4730 MFP is the ideal workgroup-class MFP for enterprises, public sector and medium-sized businesses.

Key features and benefits

- Optimizes business efficiency with full multifunction capability: print, copy, fax, scan, send, and document finishing
- HP EasySelect touch-screen control panel with 10-key number pad provides effortless interaction and simplified monitoring and operating
- Print professional quality documents in brilliant color without sacrificing performance using Original HP print cartridges with ColorSphere toner
- Decreased user intervention with the 50-sheet automatic document feeder and scanner processes two sided documents automatically at full speed
- Increase efficiency with HP Jetdirect print server, which provides outstanding performance, advanced security features and support for a broad range of network operating systems and protocols
- Ensures productivity with up to 31 page-per-minute (ppm) copying and printing for black-and-white and color output
- Delivers a fast first page out (print and copy) in less than 10 seconds
- HP Color Access Control manages when and how color is used by disabling unnecessary color printing and copying
- Facilitates integrated document workflows with optional HP Digital Sending software to enhance business communications by enabling sending to FTP sites, network folders and fax services
- Supports extended capabilities, including access to more business process solutions, such as job accounting, document capture and security
- Provides choice of scalable finishing features: 500-sheet stapler/stacker to staple up to
