

HP Color LaserJet CP3505 Printer series

Overview

Work more productively, boost work team effectiveness and deliver brilliant color and black-and-white materials quickly with the HP Color LaserJet CP3505 Printer series. As the first printer series to ship in parallel with the new HP In-House Marketing Resource Center software package, small to mid-size businesses can now use the HP Color LaserJet CP3505 Printer series and a complete portfolio of marketing tools and resources to easily produce high-quality marketing collateral.

Designed for effortless operation and combined with HP flexible printer management tools, HP ColorSphere toner and ImageREt 3600 technology, the HP Color LaserJet CP3505 Printer series is a key business partner, increasing business efficiency with high-impact color and realistic images that make a lasting impression.

Key features and benefits

- Download the HP In-House Marketing Resource Center software through a link to the HP Color Printing Center on the install CD and create high-impact marketing materials with a selection of HP Color Laser Brochure and Presentation papers.
- Optimize printing infrastructure with color and black-and-white printing speeds of up to 22 pages per minute (ppm) in best print quality default mode.
- Work more productively with Instant-on Technology, which enables the printer to deliver the first page in less than 12.5 seconds from Ready mode and less than 17 seconds from PowerSave mode, the fastest first page out in its class.⁽¹⁾
- Enjoy greater value with a long-life transfer belt, fuser and included high-capacity cartridges that print up to 6,000 pages.
- 1,200 x 600 dpi print mode provides improved print quality for line art and fine details
- Print professional-quality documents without sacrificing performance with HP ColorSphere toner and ImageREt 3600 technology.
- Reduce operating costs and simplify input management with the 250-sheet and 500-sheet input trays allowing for an 850-sheet total input capacity in addition to the 100-sheet multipurpose tray, which enables automatic and manual feeding for specialty papers.
- Streamline business operations with print management tools including HP Web Jetadmin, HP Easy Printer Care, HP Universal Print Driver and the Embedded Web Server.
- IPv6 support standard; Gigabit networking and IP security available with optional HP Jetdirect 635n EIO card.
- Built-in automatic two-sided printing⁽²⁾ to increase productivity and efficiency for users

- Expanded connectivity and easy network sharing with hi-speed USB 2.0 port and HP Jetdirect Fast Ethernet embedded print server.⁽³⁾
- Easy to use, manage and maintain with one-door access to the preinstalled print cartridges.
- Optimize print quality with Original HP printing supplies that deliver consistent, professional prints in documents produced quickly and easily.⁽⁴⁾

Supported supplies⁽⁵⁾

- HP Color LaserJet Q6470A Black Print Cartridge: \$132.99
