

## HP Photosmart D7360 Photo Printer

### Overview

The HP Photosmart D7360 Photo Printer, based on HP's Scalable Printing Technology, is the world's fastest photo printer<sup>(1)</sup> with lab-quality photos and outstanding documents that last for generations.<sup>(2)</sup> Six individual high-capacity ink cartridges enable high-volume printing of 4x6-inch photos in as fast as 12 seconds.<sup>(3)</sup> With the innovative 3.4-inch touch screen color image display and intuitive photo features, the HP Photosmart D7360 Photo Printer provides an industry-leading at-home printing experience.

### Key features and benefits

- Easily print lab-quality photos in six-ink color and laser-quality black text with HP Vivera inks.
- Make memories last – instant-dry, water resistant photos produced with HP Advanced Photo Paper are long lasting when displayed in frames or albums.<sup>(4)</sup>
- Print lab-quality photos without a computer directly from PictBridge-enabled cameras using convenience from USB port.
- Walk-up and print using the large 3.4-inch touch screen color image display – adjusts for optimal viewing from any angle and allows users to select, rotate, crop, zoom and remove red-eye directly from the display without using a computer.
- PhotoFix button allows for one-touch cropping, zoom and red-eye removal, along with automatic photo corrections – all without a computer.
- Economical, individual six inks— replace only the cartridges that run out of ink.
- HP Real Life technologies allow users to edit photos directly on the printer to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home.
- Automated 4x6-inch for dedicated photo printing.
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects.
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch<sup>(5)</sup> with or without borders.
- Get effortless photos, plus save time, ink and paper using HP photo papers with HP Auto Sense, which prevents common photo printing mistakes.<sup>(6)</sup>

### Additional features

- Optional HP Bluetooth® Wireless Printer Adapter enables wireless printing from camera phones, handheld PCs or other Bluetooth® enabled devices.<sup>(7)</sup>
- Print on both sides of the page with optional two sided printing accessory.<sup>(8)</sup>
- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital, Memory Stick, Memory Stick Duo and XD-Picture Card.
