

HP Bond and Coated Paper

Overview

Used by a wide-range of large-format printer customers, where economical printing is a must, HP Bond and Coated papers produce crisp, sharp text and handle up to medium density larger-area fills.

HP bond and coated papers are custom-engineered and designed to seamlessly integrate with HP Designjet printers and Original HP inks for a reliable printing experience. HP offers a variety of bond and coated media choices for the new HP Designjet Z3100ps GP and Designjet Z2100/Z3100 with HP Vivera pigment inks and HP Designjet 5500/5000 with HP pigment inks, offering excellent print quality, maximum productivity and workflow flexibility.

HP Super Heavyweight Plus Matte Paper

This extra-heavy, bright white matte paper is a high-quality, yet affordable alternative to more expensive photo matte papers. Key features and benefits include:

- Excellent image quality without rippling under high ink densities
- Designed to maximize output at productive printer speeds
- Broad application versatility, instant dry time and excellent film laminate compatibility
- Unique, rich look and feel
- Fade-resistant images for more than 200 years⁽¹⁾ with HP Designjet Z Photo Printer Series utilizing HP 70 Vivera pigment inks
- Water-resistant, un-laminated output when printed with HP Vivera pigment inks
- Other technical specifications include:
 - 10.2 mil
 - 210 g/m²
 - 56 lbs.

HP Universal Coated Paper

This economic paper is ideal for a variety of technical and graphics applications, including presentations, indoor signs and posters that will be replaced frequently. Key features and benefits include:

- Consistent results
- Low cost
- Broad compatibility with HP Designjet printers

- Other technical specifications include:
 - 4.9 mil
 - 95 g/m²
 - 26 lbs.
 - 90 percent brightness

HP Coated Paper

This premium bright white paper is perfect for color-accurate everyday prints, working comps and design proofs. It offers excellent handleability, enabling technical professionals to roll or stack time-sensitive documents as soon as they come off the printer. Key features and benefits include:

- Color-accurate prints
- Excellent handleability
- HP dye and pigment ink compatibility
- Other technical specifications include:
 - 4.0 or 4.5 mil
 - 90 g/m²
 - 26 lbs.
 - 90% brightness

HP Universal Heavyweight Coated Paper

This economic paper is ideal for a variety of medium ink-density technical and graphics applications, including presentations, indoor signs and posters that will be replaced frequently. Key features and benefits include:

- Consistent results
- Low cost
- Broad compatibility with HP Designjet printers
- Other technical specifications include:
 - 6.1 mil
 - 120 g/m²
 - 26 lbs.
 - 95 percent brightness

HP Heavyweight Coated Paper

This premium heavyweight bright white matte paper is perfect for rich color-accurate and long-lasting professional prints, working comps and design proofs. It offers brilliant, colorful, medium ink-density images that look crisp and smooth. The coating delivers excellent handleability, enabling technical professionals to roll and stack time-sensitive documents as soon as they come off the printer. Key features and benefits include:

- Color-accurate prints
- Excellent handleability
- HP dye and pigment ink compatibility
- Other technical specifications include:

- 6.4 mil
- 131 g/m²
- 35 lbs.
- 90 percent brightness

HP Bright White Inkjet Bond Paper

This brightest, low-cost HP bond paper is perfect for everyday black and color line drawings. Key features and benefits include:

- Consistent, crisp-line resolution and high-contrast color prints
- Specially treated, fast-drying surface
- Low cost, high-quality prints
- Other technical specifications include:
 - 4.8 mil
 - 90 g/m²
 - 95 percent brightness

HP Universal Inkjet Bond Paper

This economical bond paper is designed for black and color line drawings. Key features and benefits include:

- Consistent, crisp-line resolution and high-contrast color prints
- Other technical specifications include:
 - 4.2 mil
 - 80 g/m²
 - 21lbs
