

HP Color Laser Photo Paper, Glossy, 4 x 6

Overview

HP Color Laser Photo Paper, 4 x 6, is the world's first heavyweight photo paper of its size designed for laser printing.⁽¹⁾ With a glossy, coated finish on both sides, this paper enables small business customers to print everything from business photos and postcards to marketing materials and direct mail, in addition to casual, everyday photos.

HP Color Laser Photo Paper, 4 x 6, is a size extension of the popular 8.5 x 11-inch size in HP's successful Color Laser Photo Paper line. The new size provides customers a convenient, affordable and broad portfolio of business communication documents that lets them create impressive, professional outsource-quality documents in-house.

Key Features and Benefits

- Print 4 x 6-inch color photos on a laser printer, using this heavy, glossy paper
- Get rich, vivid color on either side of the paper, with no show-through
- Easy to use – paper is coated on both sides and can load any direction
- Prints dry instantly and resist smudging, smearing and scratches
- Paper is cut to snapshot size, making it easy to add photos to office projects
- Optimized for HP Color LaserJet printers and HP ColorSphere Toners
- Compatible with many other color laser printers and copiers
- Meets U.S. postal service requirements for mailing and postcards

Other Technical Specifications

- 7.5 mil; 58 lb/220 g/m²
