

Executive Biography

Scott Tuthill

Vice President, Small and Medium Business – Americas, Imaging and Printing Group

Hewlett-Packard Company

Scott Tuthill is vice president for the Small and Medium Business (SMB) go-to-market unit for the Americas region in the Imaging and Printing Group at HP. In this role, he is responsible for managing HP's LaserJet and Edgeline Technology businesses, the commercial reseller channel, and an SMB sales and market development organization.

Tuthill joined HP in 1981 and has held a variety of roles in different business units, most recently serving as the product marketing manager and acting marketing manager for the Color LaserJet division. Previously, Tuthill was the product marketing manager for the Personal LaserJet division and the brand management, software product and third-party programs manager for HP's Boise printer division.

Tuthill holds a bachelor's degree in mechanical engineering from the University of Illinois at Urbana-Champaign and a master's degree in business administration from the University of Michigan. He currently resides in Boise, Idaho.
