

HP Photosmart A440 Camera and Printer Dock Series

Overview

The HP Photosmart A440 Camera and Printer Dock Series is an easy-to-use, complete photo system – just snap, touch and share. Capture memories with all PictBridge-enabled and select HP Photosmart E- and M-series digital cameras, and print exceptional 4 x 6-inch borderless prints with the photo studio printer dock. The compact, lightweight design and integrated handle make it easy to create fade resistant,⁽¹⁾ lab-quality photos almost anywhere – no PC required.

Key Features and Benefits

- Share photos, without the fear of smudging, with instant-dry, smudge- and water resistant⁽²⁾ prints.
- Print lab-quality photos on the spot – snap a photo with the camera, place the camera on the printer and create beautiful 4 x 6-inch prints in as fast as 40 seconds.
- Automatically remove red-eye and enhance photos with the HP Red Eye button – no PC or software required.
- Easily dock the HP Photosmart camera for printing, camera storage and in-camera battery charging.
- Make memories last – print lab-quality photos that resist fading for generations using HP Advanced Photo Paper and HP Vivera inks.⁽¹⁾
- View photos with a dock that tilts your camera screen at a comfortable viewing angle.
- Built-in handle makes printer easy to carry.
- Create photos without having to trim edges or remove borders.
- Save time by browsing and selecting photos while they print – no need to wait.

Additional Features

- Meets HP's General Specification for the Environment, which includes compliance with the EU ROHS and WEEE Directive.⁽³⁾
- HP Vivera inks featured in the HP 110 Tri-color Inkjet Print Cartridge produce lab-quality photos and deliver enhanced durability.
- Optional stylish HP Photosmart Metro Style Carrying Case fits all HP compact photo printers. This case is available in an eye-catching color or fashion black, and includes a comfortable, padded shoulder strap, contrasting piping detail and separate carrying area for AC power adapter and supplies.⁽⁴⁾
