

HP Photosmart A826 Home Photo Center

Overview

Experience a breakthrough innovation in home photo-printing with the HP Photosmart A826 Home Photo Center. Featuring a large 7.0-inch color touchscreen with stylus included, the Photosmart A826 allows users to edit, design and personalize photos with borders, text and creative graphics. With the 100-sheet internal paper tray, users can conveniently print up to 100 photos at a time. Print borderless 4 x 6- and 5 x 7-inch photos, holiday cards, wallets and panoramas from the convenience of home.

Key Features and Benefits

- Viewing and printing photos is easier than ever, with friendly menus on the largest, 7.0-inch color touchscreen of any home photo printer.
- 100 sheet internal paper tray ensures that there is enough paper for users to print batches of photos conveniently.
- Select photos quickly with the simple touch of a finger – print directly from slide shows or display multiple thumbnails.
- Print photos in a snap with a printer that has no print settings to adjust and requires less paper swapping.
- Make one-of-a-kind memories – use finger or the stylus to hand-write on photos before printing.
- Tell stories with photos – add captions and descriptions, using the touchscreen keyboard.
- Unleash consumers' creativity with fun, custom photos and personalized greeting cards, with more than 200 frames, clipart and graphics.
- Share photos with ease – simply insert a memory card, select photos and print.
- Remove red-eye, enhance photos and make subjects more slender – no PC needed.
- Keep paper clean and out of the way – store up to 100 sheets of photo paper inside the printer.
- Display a slide show of photos anytime, using the printer as a digital picture frame or screen saver.
- Print photos and immediately pass them around to share – right from the printer – without smudging or smearing.⁽¹⁾
- Print photos in multiple sizes – 5 x 7- and 4 x 6-inch, wallet and panorama in as fast as 39 seconds.
