

HP Photosmart D5360 Printer

Overview

The HP Photosmart D5360 Printer provides a simple way to print true-to-life photos and laser quality documents from home or the office. Featuring a 1.5-inch color display for viewing, this printer makes it easy to print and share photos with its convenient memory card slots. Users can save time by pre-loading the printer's two paper trays with photo and document media, eliminating the need to switch the paper. Beyond paper, the HP Photosmart D5360 Printer can also print personal photos, designs and text directly on CDs and DVDs. In addition, this printer features two-sided printing for added efficiency and HP Smart Web Printing to ensure web page prints are usable and don't have cut off edges.
