

HP Easy Printer Care Software 2.3

Overview

Designed to help office managers in small businesses monitor and maintain up to 15 supported HP printers simultaneously, HP Easy Printer Care Software 2.3 now features a welcome screen that includes user tips as well as a guide to installing and using the software. Easily accept HP Proactive Support alerts through a simple “Execute” button that bypasses support update explanations. Ideal for unmanaged, networked printers, HP Easy Printer Care Software 2.3 is compatible with most HP LaserJet printers including all new HP LaserJet printers that will be introduced this fall.⁽¹⁾
