

## HP LaserJet P1005/P1006 Printer

### Overview

The HP LaserJet P1005/P1006 Printer series is HP's smallest and most compact laser printing system for the home and small office and features a new, patented spherical toner within a smaller toner cartridge. Designed to conserve resources as well as office space, the ultra-compact HP LaserJet P1005/P1006 Printer ships with less packaging than previous products and is engineered to use less energy over an extended period of time. The P1005/1006 printer is designed for exceptionally quiet operation and offers fast speeds and a quick first page out to enhance productivity.
