

## HP LaserJet P1505 Printer Series

### Overview

The HP LaserJet P1505 Printer series is a value-packed desktop printer that includes features never before available in a personal HP LaserJet: fast, professional-quality print speeds up to 24 pages per minute (ppm), HP's new, patented spherical toner and a quick first page out in less than 6.5 seconds from power save mode with no-wait HP Instant-on Technology. Designed for home and small business users, the HP LaserJet P1505 Printer series features many same time-saving features at an affordable price and consistently delivers high-quality documents.

### Key features and benefits

- Increase productivity with surprisingly fast print speeds up to 24 ppm and a first page out in less than 6.5 seconds from power save mode with HP Instant-on Technology;
- New, patented spherical toner produces bold, crisp text and sharper images at fast speeds;
- With intelligence built into the toner cartridge, this printer provides alerts when toner is low and let's customers easily shop for replacement supplies using HP SureSupply;
- Use new, included "Shop for Supplies" software to order Original HP print cartridges and papers through SureSupply whenever it's convenient; <sup>(1)</sup>
- Enjoy high-end features, including excellent performance, quality and durability, at an exceptional value;
- With integrated networking and PCL5e support, quickly and easily share the HP LaserJet P1505n Printer with as many as five users;
- Maximize productivity with a 250-sheet input tray and a 100-sheet output bin;
- Perform complex tasks quickly with a powerful 266 MHz processor and 2 MB or 8 MB RAM memory;
- With the purchase of HP accessories, enjoy flexible networking options for greater cost efficiency and a variety of business needs.
