

HP Scanjet N7710 Document Sheet-feed Scanner

Overview

Ideal for document-intensive offices, the HP Scanjet N7710 Document Sheet-feed Scanner is HP's premier sheet-feed scanner for small to mid-size businesses and enterprise workgroups.

Featuring ultra-sonic double feed detection, rapid duplex scan speeds up to 35 pages per minute (ppm), a robust software solution and a 50-page automatic document feeder with an integrated slot for rigid or embossed business and ID cards, the HP Scanjet N7710 Document Sheet-feed Scanner combines powerful document management scan features in a small form factor. With the N7710 scanner, quickly and easily convert up to 1,500 pages a day into digital files to organize and share documents with multiple employees in the office.
