

HP Scanjet N8420/N8460 Document Flatbed Scanner

Overview

The HP Scanjet N8420/N8460 Document Flatbed Scanner provides a complete document management solution for small to mid-size businesses and enterprise workgroups.

Office users can easily perform fast duplex scanning with the included ultrasonic double feed detection and 100-page automatic document feeder. Featuring a robust software solution, 30 customizable scan profiles, a legal-size glass flatbed and convenient copy button, the HP Scanjet N8420/N8460 Document Flatbed Scanner makes it easy to capture and share documents with multiple users.

Key features and benefits

- Perform rapid duplex sheet-feed scanning at speeds up to 25 pages per minute (ppm) with the HP Scanjet N8420 Document Flatbed Scanner and up to 35 ppm with the HP Scanjet N8460 Document Flatbed Scanner – HP's fastest flatbed duplex scanner;
- With the latest version of HP Smart Document Scan Software, launch up to 30 customized scan profiles at the touch of a button;
- Scan up to 1,500 pages a day with ultrasonic double feed detection and a 100-page automatic document feeder;
- See higher-quality scan results with increased OCR accuracy on the first pass with Kofax® VirtualReScan®;
- Easily integrate the HP Scanjet N8420/N8460 Document Flatbed Scanner into existing systems with ISIS® and TWAIN drivers;
- Capture information from a variety of sources, including books, ledgers, notes and more, using the legal-size flatbed glass;
- Save scanned electronic files in a variety of formats, including PDF-A, PDF, TIFF and JPEG, at manageable file sizes;
- Convert scans into text that can easily be edited using the included IRIS Readiris™ Pro OCR software;
- Conveniently copy documents using a one-touch copy button that quickly sends scans to the default printer.
