

Rajesh Radhakrishnan

Vice President of Applications, Consulting and Integration

Hewlett-Packard Company

Rajesh Radhakrishnan is vice president of the Applications Practice for Consulting and Integration at HP. In his role, he has responsibility for leading the unit's market strategies around SAP implementations, service-oriented architecture transformations, application modernization and application lifecycle management.

Radhakrishnan has more than 15 years of experience leading key organizations in businesses such as Mercury Interactive, Veritas and Oracle. At Mercury, he held a variety of roles including leading SAP and Oracle go-to market strategies, as well as the company's \$750 million testing product line.

Radhakrishnan has a bachelor of science in computer science from IIT Delhi and a master's degree in computer science from Brown University.
